

SIMPLY ELEGANT GARDEN STAKES

ORDER FORM

Simply Elegant garden stakes are made with a sturdy 5/32" diameter wire stake with powder coated black finish designed to give years of rust resistance and blend tastefully into the environment. Stakes are indented to prevent spinning and heaving in the ground. They are available in two lengths 15" and 25". A black face plate is included with each wire stake. The UV stable material of the face plate is light and soft, but grips the stake firmly at the top with a snap and has a tab at the bottom which ensures the face plate will not come off unless you want it to. The angle of the face plate is designed for easy viewing. Engraved labels attach directly to the face plate with durable, outdoor double stick tape. Extra face plates are also available.
